

Acceptable Use of Learning Technologies Policy

AGREEMENT FORM

It is a Department of Education and Child Development (DECD) requirement that all students and their caregivers sign the Acceptable Use of Learning Technologies Policy before the student is permitted to access learning technologies on any Departmental School site. Once signed and returned to the college, the document is filed in the student's records and acknowledged in the college's database.

I have read and understood the Acceptable Use of Learning Technologies Policy (on website) and understand the Learning Technologies User Rights and Responsibilities within.

I understand and accept the responsibilities outlined in this document.

I understand that this agreement remains valid and in place for the duration of my child's enrolment at Windsor Gardens School B-12 or until it is reviewed or revoked by the college.
