

28 September 2022

Dear Year 12 Students and Parents/Caregivers,

As year 12 students enter the final weeks of their high school education, we would like to encourage them that this is a time for focus and determination. It is important that students continue to attend all their lessons and work closely with their teachers to finalise work and begin the preparations for any final examinations that they may have [see exam dates overleaf].

The Term 3 holiday period is going to be a crucial time for students to catch up on outstanding assessments and put the final touches to their work before the term 4 SACE submission deadlines. Teachers will be reaching out to caregivers to seek support in work completion and follow up if students have outstanding work due. We would encourage caregivers also to reach out to their teachers if they have concerns about their students' progress.

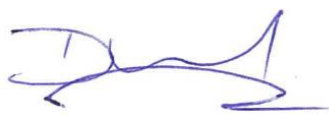

Parents and caregivers, we would ask that you support your student through these final weeks so that they can look back and be satisfied that they have done all they can to lay the foundations for a successful pathway beyond school.

We wish all of our Year 12 students the very best with their final weeks at Avenues College.

Kind regards,

Emily Coleman
SACE Leader

Daniel Lasscock
Deputy Principal
Head of Senior Years

Hamish McDonald
Principal
