

**Rory's Group Australia**  
8 Mc Leod Crt, Cavan, SA, 5094

*Dear community,*

*The last twelve months have been extraordinary, and the struggle businesses, organisations and communities have faced is overwhelming. Staff and supplier shortages and spiralling costs due to COVID, floods and war in Europe are creating great difficulties to navigate.*

*Rory's is especially mindful of the impact of all these events and the growing pressure it has placed on families but, unfortunately, has had to make the hard decision to pass forward some of the price increases that have been experienced in the first quarter.*

*An updated menu will take effect from the 1st of June 2022, and our QKR ordering system and website will be adjusted.*

*Our entire team is working hard to keep all sites adequately staffed and operational, and we are taking all appropriate steps to secure supplies and provide a full menu.*

*We are incredibly grateful for all the tremendous support from our school communities, especially while we have been experiencing stock shortages disrupting the lunch menu supply.*

*For any clarification around our menus or products, don't hesitate to get in touch with our parent support line on 7084 1801 or email [reception@rorys.com.au](mailto:reception@rorys.com.au)*

*Kind Regards*

*Rory Hope,*

*Managing Director*
